Student Delegate

Standards of Personal Conduct and Community Behavior

Serving as a Student Delegate to our sister island, Ometepe, is a challenging experience that requires a significant amount of personal responsibility and independent decision-making. In order to insure the safety and welfare of everyone involved, and to help fulfill the purposes of the program, the Bainbridge Island Sister Islands Association requires Student Delegates to adhere to the standards below:

The Delegate will:

- ∞ Show respect for themselves and others
- ∞ Recognize and accept cultural differences graciously
- ∞ Be considerate of their family members
- ∞ Participate enthusiastically in projects and other activities
- ∞ Work cooperatively with their chaperone and other delegates

The Delegate will not:

- ∞ Engage in any behavior that may be harmful to the health and safety of any participants, or detrimental to the program
- ∞ Use or possess any drugs which are illegal under the laws of the United States or Nicaragua
- ∞ Consume any alcoholic beverage or use any tobacco products
- ∞ Date, engage in amorous conduct, or have any sexual relationship
- ∞ Leave the town where the group is located without permission from the Chaperone

I agree to the above rules of conduct. I understand that day to day plans may change, and that the final decision regarding any activity for the group or individuals rests with the Chaperone. I also understand that an infraction or disregard for the above standards may result in my being sent back to the U.S. early at my own expense.
